This permit issued under the provisions of the "Pennsylvania Sewage Facilities Act," the Act of January 24, 1966 (P.L. 1535), as amended, is subject to the following conditions:

1. Except as otherwise provided by the Act or regulations of the Pennsylvania Department of Environmental Protection, no part of the installation shall be covered until inspected by the approving body and approval to cover is granted in writing below.
2. This permit may be revoked for the reasons set forth in Section 7(b)(6) of the Act.
3. If construction or installation of an individual sewage system or community sewage system and of any building or structure for which such system is to be installed has not commenced within three years after the issuance of a permit for such system, the said permit shall expire, and a new permit shall be obtained prior to the commencement of said construction or installation.

ADDITIONAL CONDITIONS:

1. The proposed absorption area is to be staked out before any construction begins on the site.
2. The absorption area is to be avoided by all construction activity.
3. The well is to be staked out prior to the start of construction on the lot.
4. Should there be a change in property ownership, a permit transfer shall be required.
5. Construction of the absorption area shall not begin without permission of the local sewage enforcement officer.

The basis for the issuance of this permit is the information supplied in the Application for Sewage Disposal System and other pertinent data concerning soil absorption tests, topography, lot size, and sub-soil groundwater table elevations. The permit only indicates that the issuing authority is satisfied that the installation of the sewage disposal system is in accordance with the rules, regulations and standards adopted by the Pennsylvania Department of Environmental Protection under the provisions of the Pennsylvania Sewage Facilities Act, the Act of January 24, 1966 (P.L. 1535), as amended. The issuance of a permit shall not preclude the enforcement of other health laws, ordinances or regulations in the case of malfunctioning of the system.
